GENERAL

Application 33506 was filed on September 8, 1977 by Leo and Donna Harrer to appropriate 0.02 c.f.s. of water from an underground source for stockwatering purposes (500 head of cattle).

The point of diversion is described as being in the NE $\frac{1}{4}$ SW $\frac{1}{4}$ Section 17, T.44N., R.37E., M.D.B.& M., and the place of use is described as the NE $\frac{1}{4}$ SW $\frac{1}{4}$ Section 17, T.44N., R.37E., M.D.B.& M.

Application 33506 completed the statutory processing and became ready for action on January 19, 1978. On September 1, 1981, notice was forwarded to Leo and Donna Harrer, Orovada, Nevada 89425 advising that Application 33506 was ready to be approved by the office of the State Engineer upon receipt of permit fees in the sum of \$50.00 in accordance with NRS 533.435. A copy of this notice is on record in the State Engineer's office under Application 33506 and is made a part of this Ruling by reference. On October 6, 1981, a letter was forwarded via certified mail to Leo and Donna Harrer, Orovada, Nevada 89425 again notifying the applicants of the requirement to submit permit fees in the amount of \$50.00 for issuance of a permit under Application 33506. Certified mail return receipt P24 4231661 was returned to the office of the State Engineer on October 9, 1981 indicating that the certified notice had been received by the applicants. As of the date of this Ruling, the permit fees, as requested and as required under NRS 533.435, have not been received in the office of the State Engineer.

R U L I N G

Application 33506 is herewith denied on the grounds that the applicants have failed to submit the statutory permit fees as required under NRS 533.435.

Respectfully submitted,

Peter G. Morros
State Engineer
