

IN THE MATTER OF APPLICATION 21144
FILED MARCH 20, 1963, BY JOHN T.
FISHER, TO APPROPRIATE WATER FROM
AN UNDERGROUND SOURCE FOR IRRIGA-
TION AND DOMESTIC PURPOSES IN
WHITE PINE COUNTY, NEVADA

RULING #642

General:

207 Application 21144 was filed in support of Desert Land Application Nevada-059796. On July 2, 1963, we were notified by the U. S. Bureau of Land Management, Reno, Nevada, that the entry has been rejected because the applied-for land is not suitable for agricultural development and closed on the Land Office records. As of the date of this ruling, the applicant does not have control of the land on which he plans to place the water to beneficial use.

RULING

Application 21144 is hereby denied on the grounds that the applicant does not have control of the land on which he plans to place the water to beneficial use, and that its granting would be detrimental to the public welfare.

Respectfully submitted,
