Attn: Dean Goodall

Dear Dean,

On Approximately February 10, 1988 we cemented an 8" 265 foot water well located on the NE corner of Tropicana and Las Vegas Blvd. at the Marina Hotel. The well was perforated from 165 feet to 50 feet and pressure grouted from bottom to top. If you need any additional information please feel free to call me.

Sincerely,

Fred B. Allen III
